Doctor of Ministry Program Toronto School of Theology

47 Queen's Park Crescent East, Toronto, ON M5S 2C3 416-978-6754

Dear Referee:

Our program is an advanced professional degree program designed to assist participants in achieving a high level of competence in the practice of Christian Ministry through the integration of academic study and critical reflection on the practice of ministry. Candidates are expected to have a solid biblical and theological education, as well as a proven ability in the practice of ministry. It is important that the candidate have the ability to engage in collaborative learning and be self-directed in determining their learning goals and objectives. Please keep this in consideration when writing your letter of reference.

The duration of the DMin Program at TST is approximately 4 years. Students should set aside at least two days per week to accommodate class schedules, not including the completion of required course work. Your letter should clearly indicate your relationship to the candidate and give a summary of her/his ministry involvement. It should also declare full recognition of the candidate's intention to enter the DMin Program.

Please offer any other comments you deem helpful to the DMin Admissions Committee.

Thank you,

The Doctor of Ministry Office
